Come to us, Christmas, good old day,
Soften us, cheer us, say your say
To hearts which thirst, too eager, keeps
In bonds, while fellow-feasting sleeps.
Good Christmas, whom our children love,
We love you, too! Lift us above
Our cares, our fears, our small desires!
Open our hands and stir the fires
Of helpful fellowship within us,
And back to love and kindness win us!

—Edward Sandford Martin.

Christmas

The Nativity, History, Tradition, Legends, The Festival, Celebration, Customs, Observance

*The old order changeth, yielding place to new,
And God fulfils Himself in many ways,
Lest one good custom should corrupt the
world.*

Tennyson.
